

CALLING ALL CREATORS

~ An Army Mad Scientist Multi-Media Contest ~

Deadline: 6 August 2021

A contest for imaginative artists who would like to showcase their ideas about future possibilities in alternative ways.

Send your submissions and questions to: madscitradoc@gmail.com

- Possible topics include, but are not limited to:
 - Emerging aspects of the Operational Environment
 - Leadership in the future
 - Future surprises
 - What the Army is missing
- Click [here](#) for an example submission!

Guidelines

- Items must be **unclassified**, unpublished, and approved by your public affairs office (as required)
- No affiliation with the U.S. Government is required - open to anyone and everyone on the planet!
- Team or individual entries welcome

Media

- Haiku/Poem/Spoken Word
- Cartoon/Comic Strip
- Music/Lyrics
- Short Video (1 minute or less)
- Animation
- Drawing/Painting
- Artificial Reality/Virtual Reality
- **Any type of creative expression!**

Contest Winner will be proclaimed an official **Army Mad Scientist** and featured on the Mad Scientist Laboratory blog site!
