

## Doolittle Institute Parking Map

### VI. Parking

Parking is limited. Please carpool, ride share, or park in one of the designated areas. Please avoid parking in spots designated for GNC, Jin Jin Chinese restaurant, or Andy's Nail Spa. There is additional parking and entrances for event attendees behind the Doolittle Institute. Follow the building and go around the back to find them.

In addition to the designated areas, the Doolittle Institute has an Event Parking lot 700 feet east of our building. Look for the small sign with the Doolittle Institute and Defensewerx logos.
