

Let's Talk SEN\$E

You've downloaded Sen\$e, the DoD's free financial literacy app. Now what?

Customize your experience:

- **Select and follow** financial topics of interest
- **Highlight** key words or phrases
- **Bookmark** items for easy access
- **Write** notes and comment within the text of articles
- **Unlock** time and touchpoint badges
- **Follow** app suggestions based on previously viewed content and features

Revisit these features:

- **Build** a spending plan
- **Use** interactive tools like the retirement calculator and car payment calculator
- **Take** the credit quiz
- **Discover** your financial health with the Financial Assessment Tool

The Financial Assessment Tool

Uses a holistic approach to identify goals and offers targeted content to improve overall financial fitness. Using your financial health score, you can:

- **Pinpoint focus areas** and develop a strategy to address them.
- **Gain a better understanding** of personal financial health.
- **Be better prepared** to meet with a [personal financial manager](#) or [counselor](#).
